📍 E3, London

🌐 www.danieletortora.com

I am a highly motivated Front End Engineer who is passionate about creating rich user interfaces and interactive web applications. I strongly believe in the importance of writing clean code that is easy to document, maintain and reuse.

Work experience

Front End Developer / [Noble](#) London, United Kingdom

Since June 2019

- Develop new user-facing features both for web-app and Electron applications using React, Redux and Apollo.
- Migrate the codebase from class based to functional components with React Hooks.
- Migrate style libraries from global SCSS/Bootstrap to a modern and modular style architecture using CSS Modules and CSS-in-JS.
- Build reusable code and libraries for future use.
- Ensure the technical feasibility of UI/UX designs.
- Promoted to Mid-Level Developer after 3 months of joining.

Junior Developer / [London Borough of Hackney](#) London, United Kingdom

From November 2018 to June 2019

- Designed the front-end of the Developer API Hub using Angular 7, SCSS and TypeScript.
- Test Driven Development of RESTful APIs endpoints using C# .NET Core 2.1.
- Worked with different stakeholders and presented demos and products to large audience.

Project Officer / [London Borough of Hackney](#) London, United Kingdom

From September 2016 to November 2018

- Planning, leading and delivering on Borough wide resident sustainment initiatives.
- Working with partnering services and organisations to develop and deliver awareness-raising programmes relating to resident sustainment for audiences of staff and residents.

Support Worker / [Look Ahead Care and Support](#) London, United Kingdom

From November 2015 to September 2016

- Helped and supported vulnerable adults with a wide range of needs.

Assistant Psychologist / [ASL Napoli 1](#) Sorrento, Italy

From March 2013 to September 2014

- I conducted assessments and treatment to patients mainly in within personality disorder spectrums, psychosis and eating disorders.
